

Retractor

CABLE RETRACTION SYSTEM FOR CABLE CUBBY® ENCLOSURES

- ▶ Designed for easy integration with Cable Cubby and TLE Series enclosures, and Cable Cubby TouchLink touchpanels
- ▶ Cables extend up to three feet (90 cm)
- ▶ Holds cable securely in place at a user-defined length
- ▶ Simple push-button release retracts cable into Cable Cubby enclosure after use
- ▶ Flexible installation options
- ▶ Available with a variety of popular AV and data cables – VGA, Network, PC Audio, USB, DisplayPort, DC, or HDMI
- ▶ Optional horizontal mounting bracket and filler modules available
- ▶ Retractor XL is also available for applications where cable extension of five feet (152 cm) is appropriate

Retractor HDMI shown installed in Cable Cubby 800

Retractor DisplayPort

The Extron Retractor is a cable retraction and management system for AV applications that require a high performance, retractable cable solution. It is designed for use with new or previously installed Extron Cable Cubby® enclosures.

Extron Electronics
INTERFACING, SWITCHING AND CONTROL

DESCRIPTION

The Extron **Retractor** is a patented cable retraction and management system designed to work with new or previously installed Cable Cubby® enclosures. The Retractor is available in versions to support most AV and data signal types, including VGA, Network, PC Audio, USB, DisplayPort, DC, or HDMI. Cables extend up to three feet (90 cm) and are held securely in place at the desired length. The Extron Retractor XL is also available for applications where cable extension of five feet (152 cm) is appropriate.

The Retractor is engineered with a robust mechanism that can withstand frequent use in schools, conference rooms, and other high-utilization environments. Each Retractor module includes a pre-loaded, continuous 12-foot (3.6 m) cable for a single signal type, ensuring consistent, reliable performance, regardless of cable extension length. A 6-foot (1.8 m) pigtail is provided for ease of installation and connection to under-table electronics, floor boxes, or floor mounted raceway.

Retractor modules work with Extron Cable Cubby and TLE Series enclosures, and Cable Cubby TouchLink® touchpanels. Retractors can be mounted vertically for ease of installation next to a table leg or desktop support. For horizontal mounting applications under flat surfaces, an optional mounting bracket is available. Each horizontal bracket holds up to three Retractors.

FEATURES

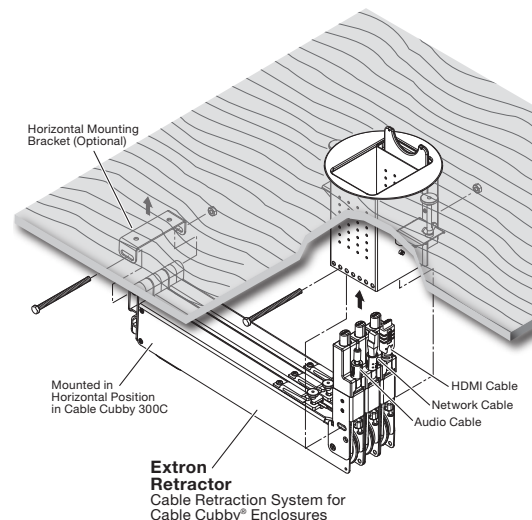

- ▶ **Designed for easy integration with Cable Cubby® and TLE Series enclosures, and Cable Cubby TouchLink® touchpanels**
- ▶ **Cables extend up to three feet (90 cm)** – Also provides 6' (1.8 m) pigtail for connecting to other AV products located beneath the mounting surface
- ▶ **Holds cable securely in place at a user-defined length**
- ▶ **Simple push-button release retracts cable into Cable Cubby enclosure after use**
- ▶ **Flexible installation options** – Retractor can be installed under a table or other work surface in either a vertical or horizontal position
- ▶ **Available in a variety of commonly used AV and data connectors** – VGA, Network, PC Audio, USB, DisplayPort, DC, or HDMI
- ▶ **Optional horizontal mounting bracket and filler modules available**
- ▶ **Retractor XL is also available for applications where cable extension of five feet (152 cm) is appropriate**

SPECIFICATIONS

GENERAL		
Mounting	Mountable into Extron Cable Cubby® or Extron TLP Cable Cubby enclosures (sold separately)	
NOTE:	An optional bracket is required for horizontal mounting. For Cable Cubby 200 installation, an additional bracket is required.	
Enclosure type	Metal and plastic	
Enclosure dimensions	3.7" H x 1.2" W x 22.8" L (9.4 cm H x 3.0 cm W x 57.9 cm L) See the following diagrams for additional dimensions.	
Product weight	2.6 lbs (1.2 kg)	
Shipping weight	4 lbs (2 kg)	
Vibration	ISTA 1A in carton (International Safe Transit Association)	
Regulatory compliance	Complies with the appropriate requirements of RoHS, WEEE	
Life expectancy	Tested to exceed 4000 cycles	
Warranty	3 years parts and labor including preinstalled cable assembly	
Model	Version Description	Part number
Retractor VGA	VGA Male to Male	70-678-01
Retractor PC Audio	3.5 mm Stereo Audio M to M	70-678-02
Retractor Network	Network CAT 5e	70-678-03
Retractor HDMI	HDMI Male to Male	70-678-04
Retractor USB	USB A to USB A	70-678-05
Retractor DisplayPort	DisplayPort Male to Male	70-983-07
Retractor VGA-A	VGA M-M and 3.5mm Stereo M-M	70-678-11
Retractor DC	DC Power Extension: Dell, HP, other PC's	70-983-10
Retractor VGA SM	VGA "Show Me" Retractor	70-983-12
Retractor Filler Module	Filler Module	70-678-08
Retractor Mounting Bracket Kit	For Horizontal Mounting Applications	70-678-00
Cable Cubby 200 Bracket	Holds Two Retractor Modules	70-678-10
