

Retractor XL

EXTENDED LENGTH CABLE
RETRACTION SYSTEM FOR
CABLE CUBBY® ENCLOSURES

- ▶ Designed for easy integration with Cable Cubby and TLE Series enclosures, and Cable Cubby TouchLink touchpanels
- ▶ Cables extend up to five feet (1.5 m)
- ▶ Holds cable securely in place at a user-defined length
- ▶ Simple push-button release retracts cable into Cable Cubby enclosure after use
- ▶ Flexible installation options
- ▶ Available in a variety of commonly used AV and data connectors
- ▶ Optional horizontal mounting brackets and filler modules available
- ▶ Retractor Series is also available for applications where cable extension of three feet (90 cm) is appropriate

Retractor XL DisplayPort

The Extron Retractor XL is a cable retraction and management system for AV applications that require a high performance, retractable cable solution. It is designed for easy integration with Extron Cable Cubby® and TLE Series enclosures, and Cable Cubby TouchLink® touchpanels.

Extron Electronics
INTERFACING, SWITCHING AND CONTROL

DESCRIPTION

The Extron **Retractor XL** is a patented cable retraction and management system designed to work with new or previously installed Cable Cubby enclosures. The Retractor XL is available in versions to support most AV and data signal types, including VGA, Network, PC Audio, USB, DisplayPort, DC, or HDMI. The cables extend up to five feet (1.5 m) and are held securely in place at the desired length. The Extron Retractor Series is also available for applications where cable extension of three feet (90 cm) is appropriate.

The Retractor XL is engineered with a robust mechanism designed to withstand frequent use in schools, conference rooms, and other high-utilization environments. Each Retractor XL module includes a pre-loaded, continuous cable for a single signal type, ensuring consistent, reliable performance, regardless of cable extension length. A 4-foot (1.2 m) pigtail is provided for ease of installation and connection to under-table electronics, floor boxes, or floor mounted raceway.

Retractor XL modules work with Extron Cable Cubby and TLE Series enclosures, and Cable Cubby TouchLink touchpanels. Retractor modules can be mounted vertically for ease of installation next to a table leg or desktop support. For horizontal mounting applications under a table top or other flat surface, an optional mounting bracket is available. Each horizontal bracket holds up to three Retractors.

FEATURES

- ▶ **Designed for easy integration with Cable Cubby and TLE Series enclosures, and Cable Cubby TouchLink touchpanels**
- ▶ **Cables extend up to five feet (1.5 m)** – Also provides 4' (1.2 m) pigtail for connecting to other AV products located beneath the mounting surface
- ▶ **Holds cable securely in place at a user-defined length**
- ▶ **Simple push-button release retracts cable into Cable Cubby enclosure after use**
- ▶ **Flexible installation options** – Retractor XL modules can be installed under a table or other work surface in either a vertical or horizontal position
- ▶ **Available in a variety of commonly used AV and data connectors** – VGA, Network, PC Audio, USB, DisplayPort, DC, or HDMI
- ▶ **Optional horizontal mounting bracket and filler modules available**
- ▶ **Retractor Series is also available for applications where cable extension of three feet (90 cm) is appropriate**

SPECIFICATIONS

GENERAL		
Mounting	Mountable into Extron Cable Cubby® and TLP TouchLink™ Cable Cubby enclosures (sold separately)	
NOTE:	An optional bracket is required for horizontal mounting. For Cable Cubby 200 installation, an additional bracket is required.	
Enclosure type	Metal and plastic	
Enclosure dimensions	3.7" H x 1.2" W x 29.0" L (9.4 cm H x 3.0 cm W x 73.7 cm L) See the following diagrams for additional dimensions.	
Regulatory compliance		
Environmental	Complies with the appropriate requirements of RoHS, WEEE	
Life expectancy	Tested to exceed 4000 cycles	
Warranty	3 years parts and labor including preinstalled cable assembly	
Model	Version Description	Part number
Retractor XL VGA	VGA Male to Male	70-1001-01
Retractor XL PC Audio	3.5 mm Stereo Audio M to M	70-1001-02
Retractor XL Network	Network CAT 5e	70-1001-03
Retractor XL HDMI	HDMI Male to Male	70-1001-04
Retractor XL USB	USB A to USB A	70-1001-05
Retractor XL DisplayPort	DisplayPort Male to Male	70-1001-07
Retractor XL DC	DC Power Extension: Dell, HP, other PC's	70-1001-10
Retractor XL VGA-A	VGA M-M and 3.5mm Stereo M-M	70-1001-11
Retractor XL VGA SM	VGA "Show Me" Retractor	70-1001-12
Retractor Mounting Bracket Kit	For Horizontal Mounting Applications	70-678-00
Retractor Filler Module	Filler Module	70-678-08
Cable Cubby 200 Bracket	Holds Two Retractor Modules	70-678-10
