

IMPORTANT:
Refer to www.extron.com for the complete user guide and installation instructions before connecting the product to the power source.

Cable Retraction System • DC Power Compatibility Guide

The Retractor Series/2 DC and Retractor Series/2 XL DC are compatible with, but not limited to, HP and Dell laptops. The Retractor Series/2 Lenovo DC and Retractor Series/2 XL Lenovo DC are compatible with laptops using the Slim-Tip connector. Dimensions of the two DC connectors are included, allowing a technician to accurately determine compatibility.

Instructions for an experienced technician to install the Extron Cable Retraction System with Speed Control for Cable Cubby® Enclosures are available online in the *Cable Retraction System/2 Installation Guide* at www.extron.com.

ATTENTION:

- Use only the power supply recommended by the manufacturer of the laptop.
- Utilisez uniquement la source d'alimentation recommandée par le fabricant de l'ordinateur portable.

Compatibility Cross-reference

The following tables are provided as a convenience. Always measure your connector and refer to the dimensions to accurately determine compatibility.

NOTE:

- Even though listed in this Guide, manufacturing variations can make certain models incompatible.
- Always measure your connector and refer to the dimensions in this guide to determine compatibility.

Cable Retraction System • DC Power Compatibility Guide (Continued)

DC Power Cable Connectors for HP and Dell Laptops – Dimensions

NOTE: Either measure your power connector or contact the laptop or laptop power supply manufacturer for the dimensions. Compare the dimensions with those shown in the diagram above. The dimensions must match for compatibility.
