

XTP Certified Systems Technician Logo Placement Guidelines

The Extron XTP Systems Technician Certification Program enables you to:

- Develop expert knowledge to install, configure, and support XTP Systems
- Obtain a thorough understanding of Extron digital AV technologies
- Learn the best practices of Extron digital AV system implementation
- Achieve industry recognition for you and your company
- Earn continuing education credits for professional organizations, such as InfoComm

As an Extron Certified XTP Systems Technician, XTP-T, you may place the full title of your credential on your company business card, email signatures, resumé, and related stationery to add professional credibility to your status in the AV industry.

The XTP Systems Technician Certified designation may be displayed in one of the following ways:

Text Option Guidelines:

- Use exactly as shown above
- Times New Roman font
- Font size should be consistent with other elements on the business card, resumé, or related stationery

Logo Option Guidelines:

- Download XTP-T logo from the Extron website
- Use exactly as shown above
- Logo must not be smaller than 1/2" wide
- Text and logo options cannot be used together

XTP Certified is an individual certification and not a company certification; therefore, this designation should not be displayed in any way that suggests the entire company carries that certification.
